### In Memoriam

IN MEMORIAM

In loving memory of our devoted Mother and Wife, Mrs. Maria Fleshman Chilton, who passed away October 12, 1953.

Dear mother, how we've missed you
none can tell.
For our hearts were filled with sorrow when you left - with no
farewell.
Your dear smile, no more we see,
But you will always be remembered
By those who loved you best.
Days of sadness still come over us,
Secret tears do often flow,
But memory keeps you ever near us
Though you left a year ago.
Thou art gone, but not forgotten,
Never will thy memory fade.
Sweetest thoughts will ever linger,
Around the grave where you are
laid.

—Sadly missed by Children, Husband, Sister, Brother and a host of relatives and friends.

## SAYS PASTORS WOULD LIKE SECURITY

Mr. J. B. Kearns, of Route 3, was in the Times-Virginian Tuesday and asked us to reprint in our paper an article by Lloyd Stoyer, from the Akron, Ohio, Beacon-Journal, under the heading, "Pastors Would Like Security." The article stated, in part:

"Ministers don't want to get rich Most say they don't mind the personal sacrifice connected with low pay. But they are concerned about educating their children and providing for their old age.

"These two 'pinches' were the most frequently cited by the 143 Protestant ministers who answered a questionnaire on pay and financial problems distributed to clergymen here by the Beacon Journal.

"One minister wrote he finds it difficult to provide education funds for children, hard to invest in even a modest insurance program, almost impossible to provide future security such as owning a home, and a need for occasional indebtedness ... for a new car or major household item.'

"The tighest pinch is among pastors of small independent churches with less than 300 members and those in tiny parishes of small denominations. Annual pastor's pay in some of these churches is as low as $1,300 to $2,500. The average is $3,380 a year. The average for all Protestant pastors here is 4,250 a year."

The article concluded by citing statements from various ministers as to their personal financial problems.

"There is not one man in a thousand capable of being a successful rogue, while anyone may succeed as an honest man.—Ed Howe

Cook Books AND CHECK BOOKS

A cook book helps the thrifty housewife to transform odds and ends of food into tasty dishes. A check book, through the record it provides, helps in the financial management of the family's funds.

## Homemakers Items

Nothing detracts from the appearance of your home, or adds to health and sanitation problems, as much as improperly-cared for waste materials.

Specialists at VPI warn that garbage, old lumber, and trash encourage rats, insects, and disease organisms. Waste accumulations are common to everyday living, but they don't need to be unsightly and unsanitary.

Here are some of the things you can do to keep things more orderly:

Store garbage in a metal container with tight-fitting lid. One piece of exposed garbage can produce several hundred flies. Empty garbage regularly. Wash the can out occasionally. After washing, expose the inside to the sun. Sunshine acts as a deordorant. Spray the lid and outside with malathion after each washing.

A garbage pail platform will keep dogs from knocking the can over. An elevated platform, and a chain attached to the lid of the can, also will forestall rats, keep the can from tipping over, and keep the lid from getting lost and bent.

Keep cans, ashes, and trash in large covered cans or drums. They are easy to empty and save time in cleaning up. Metal containers are good for fire prevention, too.

Burn waste papers, oily rags, and other burnables regularly. Use an incinerator if possible. Watch the fire closely until it is entirely out.

Incinerator baskets should be of heavy metal to make them last longer. A place to burn waste can also be made from old brick or cement blocks.

Appomattox is a growing town.

## Carver-Price School News

Hello Readers! Needless to say how much we have enjoyed the bright October days—after a cold snap. And was it a snap? And everyone began pulling out coats sweaters, and woolens.

Tuesday, at Activity Period, the Varsity Basketball Team played the All Stars, with the Varsity winning. Such regular players of last year as Curtis Whitted, Willie Lilly, Eugene Browder, Allen Watkins, George Jennings, looked in very good condition as the season soon will be approaching.

Friday, October 15, the Twelfth Grade is sponsoring a Fun Night with games, dancing and refreshments in the Gymtorium at 8:00 P. M. The public is invited to enjoy the fun.

The Physical Education Club met last Thursday, with the president, Curtis Whitted, presiding. A report was made by Sarah Harvey, President of the Athletic Council, setting dues, and outlining objectives for the year. Outfitting our Cheerleaders for the year, writing a Constitution for obtaining a charter from the Student Council as a new organization, selection of standing committees for the year, was the main business.

Assembly on last Wednesday was conducted by the Seventh Grade. Mrs. Theda Harris and Mrs. Frankie Hale as Instructors. Standards for every student to follow for the year and a skit were presented.

News seems a bit scarce this week. We look for more activity the ensuing week:

Until next week, our thought for the week:

"Glorious indeed is the world of God around us, but more glorious the world of God within us. There lies the Land of Song; there lies the poet's native land."

### WRESTLING IN LYNCHBURG

Lynchburg, Va., Oct. 14.- The top mat stars of the South, the Smith Brothers and the Becker Brothers, join with one of the top TV showmen of the nation, Yukon Eric, in putting on this week's show at City Armory in Lynchburg. Friday night's program is scheduled to start at 8:30 P. M.

Eric, who scored an easy triumph in last week's match against Al Cortez .. he eliminated him in two straight falls which took a total of 11 minutes .. was decided to be so head and above most of the local talent that promoters decided to put him in a handicap match. In this, to be determined the winner, Eris must take care of two instead of one grappler in the 60 minutes.

Picked as his opponents were the team of John and Al Smith, until three months ago Australian tag team champions of the South, and a couple of boys wily and villainous at times, who know how to handle themselves in the ring. In fact, should Eric get the upper hand, it appears that the referee chosen to handle the match may be in for a tough time.

George Becker will take on Tommy O'Toole, a newcomer to the South. Bobby Becker will oppose Stan Novak.

### VPI Dairy Judging Team Competes in National Events

VPI's student dairy cattle judging team has been on the road .. and winning a sizeable handful of honors.

At the Southern Regional Dairy Cattle Judging Contest at Memphis last week the team won first in judging of Jerseys, third in Guernseys, and seventh in Holsteins.

Also last week at the National Intercollegiate Dairy Cattle Judging Contest at Waterloo, Iowa, the team placed eighth in judging of all breeds; seventh in Jerseys; ninth in Guernseys; and tenth in Ayrshires.

Team member are: Lloyd Cowne, Nokesville; Earl Frith, Bassett; Richard Chichester, Falmouth, and Ed Drinkwater, Bayard.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief.
